

KWIM presents:

Universität
Konstanz

Studying abroad with ALGANT

Are you interested in a master abroad?
Are you interested in Algebra, Geometry and Number Theory?
ALGANT offers you an international master programme, with a consortium of 10 excellent universities in and beyond Europe!

Come discover the ALGANT programme on

Tuesday June 26th at 17:00 Room F426

- Talk by Rosa Winter (Leiden) about her research work and experience within ALGANT.
- Comprehensive presentation of the ALGANT Master by Michele Serra (Konstanz) and Rosa Winter (Leiden).
- Aperitif with refreshments.

The event is part of the project „Konstanz Women in Mathematics“

supported by the

Gleichstellungsrat
der Universität Konstanz
